## A NEW STANDARD OF CARE FOR YOUR PATHOLOGY LAB

Greatly reduce your turnaround time and improve patient care

**PATIENT CARE**  
Fast, precise diagnosis

**IMPROVE PA'S EFFICIENCY**  
Increased confidence and accuracy

**REDUCE NUMBER OF BLOCKS**  
Fewer slides to be read

**SAVE TIME, SAVE MONEY**  
Reduce your turnaround time

*“Digital X-Ray imaging with Faxitron’s PathVision ... is fool proof. There is a tremendous increase in the efficiency of grossing, it decreases the work load and greatly improves TAT. The overall result is better quality of care for our patients.”*

Dr. Mary Ann Sanders, Assistant Professor of Pathology University of Louisville

*“Before PathVision we were flying blind.”*

Andy Payne, Anatomic Pathology Supervisor  
Banner MD Anderson

Contact Faxitron today to schedule your no cost, no obligation PathVision demonstration on-site at your facility
